

SEEKING FULL-TIME and PART-TIME 911 CONSULTANTS

We are a new, up and coming training and consulting company seeking experienced 911 professionals to work as consultants on a part-time or full-time basis. We need consultants with experience in all areas of PSAP related issues.

****Specifically at this time, we need consultants experienced in PSAP consolidations and writing or responding to RFP's.*

Successful applicants will be afforded an opportunity to work on a variety of projects according to their area of expertise. Most work may be done remotely. Compensation will be based upon qualifications and experience as well as specific project requirements.

If you are a driven, self motivated, hard worker who is looking for an opportunity to share your expertise, improve your skills, gain experience and be a part of growing a new company; we want you!
