

JOB ANNOUNCEMENT

911 CALL RECEIVER

Valley Communications Center is a regional 911 center located in Kent, Washington. We provide emergency dispatch services for an area of approximately 325 square miles and over 675,000 citizens. This is a highly responsible position requiring the ability to make appropriate and timely decisions in emergency situations.

911 Call Receivers provide a critical link in the delivery of public safety services, being the most important contact with the citizen needing help. Call Receivers must develop a rapid and accurate sense of call interpretation and decision-making/problem solving skills during stressful situations.

REQUIRED EDUCATION AND EXPERIENCE:

High School Diploma or equivalent
Third-party typing certificate for 40 wpm, net

PAY RANGE:

\$18.72 to \$22.37 plus **PAID TRAINING**. Also includes a generous benefit package that includes paid vacation; longevity pay; medical, dental, vision, and enrollment in the PERS retirement system.

PROCESS:

Please apply on-line at valleycom.org.
